## Retiring Mayor of Bristol, Va.

CAPTAIN WILLIAM RICE.

Notable Career of Remarkable Man Who Now Leaves Public Life.

Bristol, Va. August 31.—In some respects one of the most remarkable ment the South has produced in a century is Capitain William L. Rice of Bristol, now nearly eighty years of age, and for many years in public life. He was Bristol's first Mayor when this place was named "Sapling Grove" one was named "Sapling Grove". This was in 1836, and at a time when the link between the givilization and progress of the New England States and the undeveloped South was Just being built, in the form of the Virginia and Tennossee Bailway Chosen at that time in a public mars-meeting of the people of the "Sapling Grove" community to serve as Bristol's first Mayor, he took the reins of government in the primitive community and served the people well, inaugurating progress sive methods and giving to the pay.

waste not properly passed off, and what ful and bully for months. Get Cascarels you need is a cleaning up inside. Don't now—wake up refreshed—feel like doing continue being a bilious, constipated nui- a good day's work—make yourself pleassance to yourself and those who love you, ant and useful. Clean up! Cheer up!
